From

Rajakarya Pravina Rao Bahadur

T. V. Armugam Mudaliar, Esq., M.B., C.M.,

Senior Surgeon with the Government of

H.H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of

His Highness the Maharaja of Mysore,

Bangalore.

Sir,

I have the honor to forward herewith, for information, a copy of my letter No. 1888 of even date to the Government Advocate requesting him to frame a draft of covenant to be executed by Pupil Nurses and Midwives and to suggest if possible, a common form of agreement for the several classes of scholarship holders.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

The Government Advocate,

B a n g a l o r e.

I have the honor to state that the Government have been pleased to revise the number and rates of scholarships to candidates preparing for the several grades of the Medical service as ~~sanctioned before~~ per Proceedings No. dated , as explained below.

Medical Degrees. Instead of two scholarships of the value of Rs.25 per mensem, tenable for five years, to students preparing for the MB,BS, Degree, three scholarships for ladies and six for male candidates have been sanctioned, the rates ~~being~~ being Rs.30 and Rs.40 for undergraduates and Graduates, if males and Rs.40 and Rs.50, for Lady Undergraduates and Graduates, ~~respectively~~ respectively. A form of covenant hitherto executed by candidates on an eight anna stamp paper, binding themselves to pay to Government a sum of Rs.1,500, is enclosed. This covenant is being obtained from the candidates, by the Inspector General of Education, the officer who used to dea with the question of these scholarships.

Sub Assistant Surgeon. Under Government Order No.13139-40-Med.250-12-7, dated 27th June 1914, copy enclosed, candidates selected for the award of Sub Assistant Surgeon's scholarships have to execute a covenant on a 5 rupee stamp paper, agreeing to serve for a period of seven years after obtaining the qualification or to refund the cost incurred by Government on their medi-

medical education. Each candidate has to produce two respectable gentlemen possessing immoveable property in Mysore, to execute another bond also on a five rupee stamp paper, in the form prescribed by Government Proceedings No.4208-9-Med.250-12-8, dated 25th November 1914, agreeing to stand as surities for the total amount of cost of education, which was within Rs.1,000. The rates of these scholarships which were Rs.9 per mensem for the 1st year and Rs.10 per mensem for the subsequent three years of the course, have now been changed into Rs.15 per mensem for males and Rs.20 for females, throughout the four years' course, so that the total cost for four years comes to Rs.1,079, in the case of male candidates and to Rs.1,319 in the case of lady candidates who get Rs.5 per month more as scholarship, or Rs.240 for the four years, more than the male candidates. In the case of failure and remission for an extra year's course with scholarship, the cost will increase by another 200 Rs. in the case of male candidates and Rs.250 in the case of females. I request to be informed whether the value of the stamp paper needs any change in view of the increase in the total cost. It is also a point for consideration whether the candidate as principal and the sureties cannot execute one covenant jointly, instead of two separate covenants as at present, thereby saving unnecessary expenditure on stamp paper to the student who is generally poor enough to apply for help. Whether the present wording is sufficient to enforce a refund of the whole amount due in one lump before the student can be free to take up service outside has also to be considered.

Scholarship. 15 x 12 x 4 =	Rs.720
Books & instruments, about	" 200
School fees 3 x 12 x 4	" 144
Examination fees	" 15
	Rs. 1079

Compounders. When a subsistence allowance of Rs.5 per month for eight months was being granted to pupil Compounders, a covenant as per form enclosed to be executed on an eight anna stamp paper was prescrived by Government in their order No. 12597-9 / 169-13-2, dated 13th June 1914. The rate of

scholarship has now been increased to Rs.8 for males and Rs.10 for female candidates and the period extended to one year. If the stamp value or form of covenant requires a change is a point on which information is required.

Pupil Nurses and Midwives. Scholarships of the value of Rs.15 per mensem, tenable for two years are given to pupil nurses and midwives, in whose case no covenants were till now taken. As the scholarships are primarily intended to supply qualified hands required for the service and as candidates who receivedtraining have, in several cases, refused to take up service, it has become necessary to prescribe a form of covenant in the case of pupil nurses and midwives in the same way as scholars for the other grades of the medical Department. I request that the draft of a covenant to be executed by pupil nurses and midwives may kindly be forwarded.

In this connection, it may also be considered whether a common form of covenant suitable for all the different class of scholarships may not be devised, with sufficient safeguards for speedy recovery of amounts due to Government in case of default, the value of stamp paper being, if necessary, changed according to the value of the total cost of each course.

As the selection of candidates for the different training classes will have to be made about the month of April I request that you will kindly send the draft covenant form or forms at an early date, to enable me to obtain the sanction of Government in sufficient time.

I have the honor to be,

Sir,

Your most obedient servant;

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to your office memorandum No.G.24543, dated 26th April 1919, and in continuation of my letter No.c.1888-2, dated 20th February 1919, I have the honor to forward herewith, a copy of letter No.215, dated 4th March 1919 together with ~~(a copy of)~~ the draft of form of Covenant proposed by the Government Advocate.

The diversity in the matter of the covenants at present in force and the desirability of having a common form, with stamp value varying according to the total sum refundable to Government, have been explained in my letter to the Government Advocate, a copy of which was submitted to Government with my letter of 20th February. 1919.

Owing to the dificulty of securing qualified candidates for Pupil compounders' or Pupil Nurses' or Midwife's scholarships, I would not, at least for some time to come, insist on any surety being found. With-holding of the final or qualification certificate, would perhaps be sufficient in case of default, to make the pupil either to refund or join the service. I request early orders on the draft covenant proposed.

Sir,

In acknowledging the receipt of G.O.No.28700-1-Med.65-18-8, dated 27th June 1919, I have the honor to state that the form of covenant appended thereto applies to cases of Pupil Compounders, Pupil Nurses and Pupil Midwives, from whom no Sureties are expected for the due performance of the conditions of the agreement. In the cases of Sub Assistant Surgeons who will have to refund over Rs.1,000, in case of default, it it quite necessary to make two sureties (who possess immoveable property in the State) to sign the covenant along with the Pupil Sub Assistant Surgeon. I request that a suitable addition to the present covenant, to include the sureties in the same agreement, or a different form altogether of an agreement to be executed by the Principal (the student) and the sureties, may kindly be sanctioned and forwarded before the 1st July 1919, the date of opening of the class, as the students will have to join only after executing the covenant.
